**Support Edenbridge Hospital, it's patients and staff and
make a real difference.**

Registered Charity No.231789

Money from donations has been used to buy many things for our Hospital including equipment for the wards, Minor Injuries Unit and Outpatients Department.

Who are the League of Friends?

The League of Friends is a registered charity supporting Edenbridge Hospital (or to give it its correct name -The Edenbridge and District War Memorial Hospital), our local NHS hospital. The money given to the League comes from donations and legacies from patients, their families, organisations and the wider community. Many fundraising events are also held each year.

The League of Friends is run by trustees who are independent of the NHS. All donations are spent in accordance with the specified wishes of donors, or targeted in areas where members of staff at the Hospital have identified a need. The League pays only for items for which the NHS (for a variety of reasons) is unable to pay.

How are your donations used?

Your donations help us to:

- Provide additional equipment
- Improve clinical facilities
- Provide additional comforts and amenities for patients and staff
- Support major projects eg new wards or other extensions.

How can you support us?

- By leaving a gift in your will or in your memorandum of wishes, your generosity will last beyond your own lifetime. Not only could you leave a specific sum of money but you could also leave a specific item eg jewellery or a painting that the League could then sell.
- You could consider donating the remainder of your estate once your family and loved ones have been provided for. This “Legacy Giving” is the largest single source of income to UK charities.
- You may like to leave a gift or donation in gratitude or in memory of a loved one. This way you can also specify if there is something special you want to support.
- Become a friend by paying an annual subscription. Membership is a minimum of £5.00 per year and any additional donations are gratefully received. Membership entitles you to attend our Annual General Meeting where you can vote for members of the Committee and help set our priorities for the year. During the year you will receive our newsletters and invitations to special events.
- Regular donations can be made by standing order
- You may consider holding a fundraising event and donate the proceeds to the League of Friends.

Thank you so much for your support – we are truly grateful.
